3rd Grade School Supply List

Dear Families,

Welcome to 3rd grade! Below is our class supply list for the upcoming school year. I've included links to Target, Walmart, and Amazon under each item for your convenience. While you are welcome to make any substitutions for personalized items, make sure they still meet the criteria listed.

Kindly pay attention to any color requests, as these help us stay organized in the classroom and make routines smoother for your student.

Please bring all supplies to Open House or the First Day of School.
