Parent Empowerment: UACS will have the monthly Parent Empowerment Meeting next week Thursday December 12th at 4:00pm in the cafeteria. This meeting will be run by Administration. Topics of conversation will include how to help your student be successful in school and life. Childcare will be provided during the meeting as well as food after the meeting. Please arrive at 4:00 for a meet and greet from 4:00-4:30 with the meeting starting at 4:30.

Parent / Teacher Meetings: Universal Academy is committed to making sure there is an open line of communication between parent and teachers. We encourage communication between teachers and parents to ensure you are aware of the progress your student is making in both academics and behavior. We understand that sometimes parents want to quickly meet with their teacher during the school day. We ask parents to please understand that during the day your teacher needs to keep his or her eyes on the students. It is best to let the office know when you would like to come in and talk with your teacher. We will make sure your teacher is ready and their class is covered.
