Meet Moahmed Moge the student council Secretary: “My name is Mohamed Moge. I am serving as the Secretary on Student Council. I am 14 years old. I live in Minneapolis. I am interested in science and learning stuff about the world. I play soccer in my free time at the park with my friends. In my family we are six, my mom and my siblings. I enjoy reading and watching TV with my siblings. Sometimes, we watch TV shows together, and sometimes, we play at the park. I am going to Africa this upcoming summer to visit my grandparents. I really miss them. It’s been three years since I’ve seen them. I want to gather more information about Africa and I’m very interested in some of the animals in Africa.”
